

Welcome to Mogu Mogu.

“Mogu Mogu” is a Japanese expression used to describe eating/chewing/“munching” food.

At Mogu Mogu, owner Head Chef aims to offer fresh, authentic Japanese food (some with a modern twist).

While Mogu Mogu aims to have the ‘staples’ available all year round, some items are adjusted and changed based on availability of seasonal ingredients. New items will also be added over time. Please check out ‘specials’ board or ask your waiter/waitress.

We hope you enjoy eating at Mogu Mogu. We welcome your feedback and thank you for your visit.
